

## JR ADVENTURES IN GAME DESIGN

For kids ages 5-8

Created for our youngest Ninjas, this class builds a foundation of basic coding concepts through coding games such as hide-and-seek, a simple clicker game, and a maze. They will have a blast remixing games into their very own creations while learning how to create backgrounds, characters, and more through Scratch Junior

---

### SCHEDULE

April 9th-May 28th (Tuesday)

---

### SPARK YOUR CHILD'S INNER NINJA

Code Ninjas Classes offer an immersive environment for children to explore technology, develop new skills, and have a great time with friends. **It's an unforgettably fun learning experience!**

**SPACE IS LIMITED**

**SIGN UP TODAY!**
